District Magistrates of
Districts.

Dear Si

It has been brought to the notice of Govt. that only nominal fines are inflicted by Magistrates in cases of illicit exports of food grains outside the State. The punishment to which the delinquents are at present subjected for indulging in such mal-practices is totally incommensurate with the profits which they are likely to make or the damage caused to the State by their wrongful deeds. I am therefore to request you to ~~issue necessary instructions confidentially to~~ draw the attention of the subordinate Magistrates in your District ~~emphasizing~~ to the need for ~~the passing in such cases of~~ sentences which may fairly be regarded as sufficiently deterrant. Officers who prosecute such cases should be directed to ensure that at the proper time a deterrent punishment is inflicted on conviction.

2. Government are also given to understand that these surreptitious exports are carried on to a large extent with the conniance of village officers and they therefore direct that when such cases come to light the conduct of the village officers concerned should be taken serious notice of departmentally. A circular may immediately be issued warning them of the serious consequence of such abetment of violation of rules.

Such Connivance is not to be condoned even Inquiries

Yours sincerely,

Chief Secy. to Govt.

S.2014/ 8[2]. 8/5/19.

Copy of the above is forwarded with compliments to the Inspector General of Police in Mysore with the request that necessary instructions may be kindly issued to the Prosecuting Officers to mov the Courts to pass ~~for~~ deterrent sentence in such cases. It is also necessary tha proper arrangements should be made for the prosecution in such cases being conducted with care.
